

## Preliminary CFS ASSESSMENT

Task Description: Case Study/Oral Presentation

Assessment Task Number: 4

Due Date: 1 September (to be presented 1 – 5 September) Weighting: 30%

**Submission Instructions:** Assessments must be handed in to the class teacher on the due date. The assessment cover sheet must be filled in and a receipt must be given to the student.

**Special Note:** All work from a book, magazine or internet source must be referenced using the Harvard system. If you pass it off as your own work, you are plagiarising and this will earn you "a zero" mark.

### Assignment Outcomes

P2.4 Analyses the interrelationship between internal and external factors and their impact on family functioning

P3.1 Explains the changing nature of families and communities in contemporary society

P4.1 Utilises research methodology appropriate to the study of social issues

P4.2 Presents information in written, oral and graphic form

### Assignment

- Step 1 Choose one type of family structure to focus on for this task. e.g. defacto, blended, childless, communal, extended, foster, nuclear, same sex couples, sole parent. Access the Australian Bureau of Statistics (ABS) to research and collect information about Australian family structures.
- Step 2 Interpret any trends related to this type of family structure in Australian society e.g. changes over the past 10 years
- Step 3 Analyse the prevalence of the family structure within different cultural contexts. You may need to access other internet resources for this. Present findings in a table or chart
- Step 4 Prepare an oral presentation (5 minutes) using the table or charts developed and any other method to present the information gathered eg overheads, handouts, powerpoint or any other method suitable.
